MEMORANDUM FOR: HQ. Strategic Air Command

ATTENTION: Lt/Col. Daniel T. George, DDG

SUBJECT: Operational Test of HIA-5 Processor

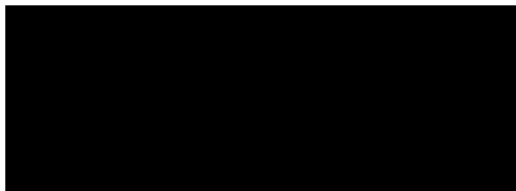

1. At Major Alderman's suggestion, the enclosed drawing of the [REDACTED] HIA-5 film processor is forwarded to provide installation information. It is requested that arrangements be made to run operational tests on this equipment at March AFB. It should be ready for shipment to March AFB during the first week of July.
